

Grow Native Massachusetts

Every garden matters - Every landscape counts®

Our Mission: We inspire people to action across the Commonwealth, on behalf of native plants and the diversity of life they support.

Your membership gift is powerful:

The strength of Grow Native Massachusetts comes from the generosity of our dedicated community of members. Gifts from members fund over one-half of our annual operating budget, and quite literally make our programs possible. Join or renew today to support the wonderful lectures at *Evenings with Experts*, the incredible selection at our *Native Plant Sale*, the growth of our *Demonstration Garden*, our *Community Workshops* and outreach, and so much more.
